Manager and Joint Manager, hereinafter jointly or separately referred to as the – **Manager**.

Within the context of privacy policy a term is used – **client**, which is the person showing written or verbal consent regarding „Felicity Apartments” offered products. Client's status is preserved until the moment, when limitation period for arising claims comes into force which arises from contractual relations of the parties or the client has refused from the offer to receive news and special offers.

„Felicity Apartments” wishes to state that the purpose of your personal data processing is as follows:

- Execution of contract on real estate purchase, rent or lease, where you are a contractual party, or for measure performance upon your request before contract conclusion. In such cases, transfer of personal data is defined according to the contract and is a mandatory precondition to conclude it;
- Relationship establishment with clients and analysis of such relations within the marketing activities context;
- Provision of activities connected with real estate sales: contract conclusion, provision of execution of normative acts' requirements. „Felicity Apartments” is entitled to fully or partially transfer relevant personal data to sub-contractors and other cooperation partners, if it is necessary for contract execution. By transferring personal data to the sub-contractors, „Felicity Apartments” concludes a separate agreement, by which it is ensured that sub-contractors will follow the Manager's instructions, this Privacy Policy and that personal data will be processed according to the normative acts;
- Provision of marketing activities: informing, communication, sending of notifications, which are connected with products and services.

Accepting and agreeing with the Privacy Policy and applying to „Felicity Apartments” news and special offers, you have given your approval that we may send commercial notifications about „Felicity Apartments” news and special offers.

If you wish to withdraw such commercial notification on „Felicity Apartments” news and special offers, then you can do that at any time, by notifying the Manager using the given contact information, and decline. Your request will be carried out as soon as possible.

The Manager performs personal data processing according to the following conditions:

1. The Manager processes your personal data according to the valid normative acts in relation to personal data processing, including the European Union's (EU) General Data Protection Regulation, and without your approval cannot disclose them to the third persons, except the following cases:
 - If by the court judgment, decision of public law-enforcement institutions or other official institution, there is a duty to disclose this information;
 - If the Manager or the person supporting the website needs personal data to perform actions, which are connected with website functioning and maintenance. In this case, „Felicity Apartments” will ensure that sub-contractors will observe „Felicity Apartments” instructions, this Privacy Policy and that personal data will be processed according to the normative acts;
 - in other cases, which are provided for by the normative acts and the Privacy Policy.
2. If you wish to access your personal data, which are at the disposal of „Felicity Apartments”, to amend them, improve or delete, you must contact the Manager, using the given contact information, and we will do anything to execute your request as soon as possible.
3. „Felicity Apartments” commits to follow the normative acts, which regulate use of personal data available to us, and also continue to review and perfect our policy in relation to personal data processing and their safety.
4. In addition we draw your attention that your personal data will be transferred outside the European Union or the European Economic Area, only on condition that the compliant or applied guarantees are defined in the EU's General Data Protection Regulation.

5. In case if the Manager will plan to process your provided personal data for other purposes, which are not the purpose they were collected for, the Manager will inform you before the mentioned further processing about the mentioned other purpose and will give you all required information provided for by the EU's General Data Protection Regulations.
6. Your personal data will be stored until the moment when client relations between „Felicity Apartments” and you exist. But upon termination of client's relations, personal data will be stored until the limitation period of right to demand commences, which arises from the contractual relations of the parties. In addition to the mentioned conditions, requirements of personal data storage arise from the requirement of the normative acts to store them for specific time.
7. If „Felicity Apartments” will receive your personal data not from you, but from other persons, then you will be provided with information about it, the source your data have been received, and when applicable – information about whether data have been acquired from the publicly available sources, as well as other information, which arises from the requirements of the EU's General Data Protection Regulation.
8. If you state that your personal data transferred to Felicity Apartments are used for purpose not provided for it or the grounds of such personal data processing are violated, then you are entitled to file a claim to the Public Data Inspectorate, address: Blaumaņa Street 11/13-11, Riga, LV-1011, additional information – www.dvi.gov.lv
